Salisbury's Green and Open Spaces

Salisbury has been welcoming visitors since 1227. A wonderfully intimate city, set in beautiful Wiltshire countryside. Five rivers, the Cathedral Close, medieval buildings, green spaces and water meadows – Salisbury is a city on a human scale, a city made for exploring.

Alongside the cathedral and museums, visitors benefit from a thriving cultural scene, a busy Charter Market and a panoply of independent retailers and creators.

Location

Salisbury is located close to both the coast and countryside; the New Forest is just 30-minutes from the city and offers a protected forest with roaming ponies, deer and cattle; Dorset is an hour drive and provides access to Bournemouth and the stunning Jurassic Coast with 250 million years of the earth's history to discover.

Welcoming groups

Salisbury is a friendly city, welcoming visitors and your travel team. Coaches and minibuses can drop off close to the Cathedral and city centre in St John's Street, alternatively the purpose-built 24-hour coach park at Millstream has 23 spaces and is just a 5-minute walk into the city centre.

Salisbury's Green and Open Spaces is a two-day, one night itinerary during Summer 2024 for organised tours, including a brand-new art exhibition in the Cathedral and time to explore Salisbury's beautiful gardens, walks and outside spaces.

Enjoy a visit to Salisbury Cathedral's new art Exhibition, 'Our Earth', alfresco English afternoon tea with the best view, an evening of theatre set in a historic garden, a stroll around our beautiful Queen Elizabeth Gardens, a photo opportunity of Salisbury Cathedral from either the spot made famous by the painter Constable or from the river Avon, and time to enjoy the best independent retail for miles around.

The images in this itinerary have been kindly supplied by Salisbury Cathedral, Martin Cook, Ash Mills and Arundells.

Day 1

The first thing you'll see as you arrive is **Salisbury Cathedral's spire, the tallest in the country. Standing at a breath-taking 404ft / 123m, it has been guiding travellers to Salisbury city for nearly 800 years. The Coach drop off point is in St John's Street, a short walk to Salisbury Cathedral.**

Salisbury Cathedral is hosting a new art exhibition, **Our Earth**, exploring the domestic effects of climate change and how our day to day lives may be impacted. This new art exhibition will focus on the air we breathe, how the landscapes are changing and the effect on our homes that keep us safe and the food we enjoy. The exhibition is curated by Beth Hughes, Salisbury Cathedral's Visual Arts Curator. And then over to the **Bell Tower Tea Rooms** to enjoy afternoon tea with magnificent views of Salisbury Cathedral.

In Salisbury, we celebrate the unique and the quirky, the local and the original. Salisbury is a shopper's paradise, unlike any other high street where you'll be sure to find something unusual. Visit Salisbury on a Tuesday or Saturday and you can experience the **Charter Market** located in the marketplace, near the Guildhall. One of the oldest markets in Britain, Salisbury has hosted a weekly market since 1227.
